## UNEXPECTED STORAGE

o o o o

Display your favorites with Z shelving modules in an exciting and elegant way. Beautifully proportions and simple geometry celebrates the Nordic design. The edges are nicely rounded to give the furniture a soft and classic style. Unexpected storage that suits all spaces in your home.

The Z modules can be turned and hanged in two ways, so the tiers create a nice pattern. The shelves can be used as a single or you can make your own shape with several Z cubes – the perfect furniture to be creative with. With Z, it is easy to change the styling in your home, just change the decoration and you get a new feeling. It is a furniture with timeless elegance.

### TENZO COLOUR NO.

Colour no. **005 WHITE**

Colour no. **009 FOG GREY**

Colour no. **014 DARK GREY**

Colour no. **031 FOREST**

### Multi function

The Z cubes can be turned in two ways to create a nice pattern. The wall fixings are adjustable to facilitate hanging the shelves side by side. The shelf also comes with four adjustable feet and can be placed on the floor.

### Design your wall

Z is a shelf module with endless possibilities. Choose to have only one shelf, a full wall or make your own creative patterns.

### Assembled

The Z cube is one of tenzo's more exclusive product and is delivered assembled to our customers. Just attach the furniture to the wall and start decorating and design your home.

### Design by: tenzo design studio

The team of tenzo design studio always works closely together with the production to make sure that each piece is designed to fully benefit from the skills and capacity of our production facility in Sweden. There are no middle hands or compromises that change the design from its original idea.
