## BUILD YOUR BRIDGE SHELF

### Wall-hung

BRIDGE is constructed to hang on the wall and is easily attached with screws. The right choice of screw depends on your wall material.

### Adjustable shelves

BRIDGE makes it easy for you to be flexible and to change your mind. The shelves are easy to move around into new positions. A new combination can give a whole new appearance and of course all shelves will be fastened safely into the uprights when finished.

The shelving system gives you many options of style and expression. Choose to have only one small shelf or a full wall; make your own creative pattern!

### Designed by TENZO

The product is designed by the product team at tenzo. The team always work closely together with the production to make sure that each piece is designed to fully benefit the skills and capacity of our production facility in Sweden. There are no middle hands or compromises that change the design from its original idea.
