## INDUSTRIAL ELEGANCE

o o o o

Modern and industrial design with a simple and stylish touch. Tenzos collection Daxx has been given a new design expression. Both the design and materials are new compliments in the tenzo range. The sideboard and cabinet comes with open compartments perfect to store beautiful things that makes your interior design more personal.

The walnut melamine gives the furniture a modern feeling and the matte anthracite lacquered fronts enhance this appearance. The inclusion of the metal legs giving the furniture an industrial touch.

### Material

The walnut melamine together with the matte lacquered fronts gives an industrial impression that suits the modern home and style. Combine with the anthracite table to get a edgier feeling in the room.

### Made in Sweden

The technical knowledge and sense of design from Tenzo pursued the development all the way from idea to production. The creation process of DAXX is genuine and precise. All coloured parts are painted in our own factory with the latest technology. After the painting process, all pieces of furniture are inspected and packed in our E-commerce approved packaging.

### Design

DAXX is designed by tenzo design studio. The design team works closely with the production department to make sure that each piece is designed to fully benefit the capacity of our manufacturing facility in Sweden. Together we create modern furniture with high quality and with a Scandinavian touch.

### Push to open

The doors are equipped with push openers. No handles needed, just give the door a gentle push to open it.
