The designer has polished and refined Dot many times to find the perfect look. It took more than two years to finish his work. The result is exquisite, and designed into every last detail. Nothing has been left to chance.

Tapered, turned legs and push-to-open function add to the absolute design. The quality is ensured by tenzo's high production standards and the furniture will last for many years to come. Dot is the perfect mix of high quality, great design and functional storage.
