CONTRASTS

o o o o

HARRY is both fresh and elegant. The furniture design creates contrasts – soft rounded corners with black metal framed legs give the pouffe and the sofa the best of two design styles. Transform your interior to a sparkling colour mix or choose subtle colours for a calmer Scandinavian look. HARRY makes an impression as a single piece of furniture but can also be an eye catcher if you mix them together. HARRY is the obvious choice when making an addition to any room that needs an elegant seating place.

The collection contains one sofa and a pouffe available in three sizes. Harry is covered in durable fabric in a range of colours. The pouffe can be used as a footstool or as an extra seat. Furnish your home with HARRY and it will pop.
