

MELLO

o o o o

CONTEMPORARY AND TIMELESS

o o o o

Furnishing is not just about creating a look – it’s about making a place where you and your personality belongs. The Mello storage collection gives you the opportunity to create the perfect space to reflect you and your lifestyle. The Mello furniture got a pure look with its white lacquered base and fronts. The black metal framed legs reinforce the feeling of a contemporary furniture range with clean lines. To add style, the handles are crafted with an inset that creates a pale shadow and gives Mello it’s character.

The thoughtfully designed details got attitude to catch the eye and are what makes Mello a timeless classic.

Details

The black metal framed legs and the black handles create contrasts and gives Mello an interesting look. The handle which is crafted with an insert makes the furniture unique. The details are designed with reflection for creating a collection that makes an impression without stealing too much attention.

Contemporary & timeless design

Mello is designed to connect with the Scandinavian design heritage – clean lines with no fuss. The appearance of Mello is contemporary and timeless. The design will last for many years to come.

Design by: tenzo design studio

This product is designed by tenzo design studio. With nearly 80 years of experience in design and construction we have knowledge about manufacturing trendy Scandinavian furniture. The team always work closely together with the production to make sure that each piece of furniture is designed to fully benefit the skills and capacity of our production facility in Sweden. There are no middle hands or compromises with design that change it from the original idea. We ensure that the design and quality is the best possible and we know that our designs will last for many years to come.
