SCANDINAVIAN TRANQUILITY

o o o o

SVEA is a discrete and durable designed series of furniture. The typical Scandinavian look brings calmness to the room with its neat oak legs and delicately crafted oak handles. The mitered corners soften the edges and gives the uncluttered collection that extra touch.

SVEA cabinets holds a lot of storage and will be the perfect companion in your living and dining room. The shelves inside are removable and allows you to create a storage solution that fits you and your things perfectly. The large SVEA dining table will be the natural center point of the lively home where the whole family can sit together. Easily extended with the butterfly extension, the SVEA dining table extends from 195 cm to 275 cm long in just a few seconds. Bringing extra friends home for dinner will no longer be a problem!

005 WHITE/OAK

Made in Sweden

The fronts are made of mdf covered with white lacquer and made in Sweden. The handle, legs and the decorative rail are all made of solid oak which, combined with the white lacquer, gives SVEA the typical Scandinavian look.

Soft close

The hinges of SVEA are integrated with soft-close and the drawers have a soft self-closing function. The soft close catches the doors and drawers and makes it close slowly, silently and softly.

Details

The corners of SVEA are carefully crafted to give the products a fashionable look. The doors are softly bordered on the edges that are pushed out over the doors.
