o o o o

Lipp is a contemporary furniture collection inspired by the Scandinavian design heritage – minimum fuss, just simplicity that allows each piece to speak for itself. The handles are the focal point of the design, cut directly onto drawers and doors and give the collection it’s character. Elegant metal legs give the collection symmetry and its harmonious no-nonsense look. Lipp is a furniture collection suitable for every contemporary home interior enthusiast that loves graceful colour shades. The sleek design is combined with Tenzos newest colour collection in 2020 “The forest is our backyard” a serene and grounded colour palette inspired by the natural environment surrounding Smålandsstenar, Sweden the place where the Tenzo story started in 1934.
