SINCE 1934
SWEDEN

DAXX is a modern and industrial design with a simple and stylish touch. Tenzos collection Daxx has been given a new design expression. Both the design and materials are new compliments in the tenzo range. The sideboard and cabinet comes with open compartments perfect to store beautiful things that makes your interior design more personal.

The walnut melamine gives the furniture a modern feeling and the dark grey lacquered fronts enhance this appearance. The inclusion of the metal legs giving the furniture an industrial touch.
