Design by: tenzo design studio

This product is designed by tenzo design studio. With nearly 80 years of experience in design and construction we have knowledge about manufacturing trendy Scandinavian furniture. The team always work closely together with the production to make sure that each piece of furniture is designed to fully benefit the skills and capacity of our production facility in Sweden. There are no middle hands or compromises with design that change it from the original idea. We ensure that the design and quality is the best possible and we know that our designs will last for many years to come.
