Furnishing is not just about creating a look – it's about making a place where you and your personality belongs. The Mello storage collection gives you the opportunity to create the perfect space to reflect you and your lifestyle. The Mello furniture got a pure look with its white lacquered base and fronts. The black metal framed legs reinforce the feeling of a contemporary furniture range with clean lines. To add style, the handles are crafted with an inset that creates a pale shadow and gives Mello it's character.

The thoughtfully designed details got attitude to catch the eye and are what makes Mello a timeless classic.
